He says that though he did not formally apply for the grant of the allowance when he was still in service, he informally broached the subject with the then Minister in charge of the portfolio & was told to wait & not the matter. As regards the 22nd this may be dealt with in the usual way. I see no objection to [illegible] Mr. Sastry, Director of Industries & Commerce, as Chairman of the Mysore Paper Mills Ltd and Mysore Sandalwood Oil Factory Ltd. combined with leave preparatory for three months from the 15th January 1943 was granted to Mr. Sastry preparatory to retirement from service at the end of the leave. Thereupon the Chief Conservator of Forests was nominated as Chairman of the above two Concerns in place of Mr. Sastry. (vide Go. No. D. 5486-91/Ind. 390-42-1 dated 23rd February 1944.) Mr. C. Sir,

Subject:- Special allowance for having acted as the Chairman of the Mysore Paper Mills, Ltd., and the Mysore Match Company, Ltd.

I have the honour to state that I have been informed that Mr. C. Abdul Jabbar, Chief Conservator of Forests, who is acting as the Chairman of the Mysore Paper Mills, Ltd. and the Mysore Match Co., Ltd. has been sanctioned an allowance of Rs 200/- per month with retrospective effect. I beg to represent that I also held these two chairmanships in addition to my own duties as the Director of Industries and Commerce and the Director of Sandalwood Oil Factory at a time when I was overburdened with exceptionally heavy work including that belonging to the Sericultural Department. It is no doubt true that I did not formally apply for the same in writing, but only once, after assuming charge of the chairmanship in these two concerns I informally broached the subject with the Minister in charge of the portfolio and I was orally and informally told "Do not be impatient but wait." Since then for some reason or the other I did not pursue the matter and the Government of their own initiation and accord did not do anything. I may also state that I continued to be chairman of these two concerns for some time after handing over charge of the Department of Industries and Commerce to my successor.

I might state that Government were aware of the heavy work devolved on me in as much as an Officer of the status of a Deputy Director of Industries and

and Commerce was sanctioned on a pay Rs 700-50/2-800 to relieve the Director of Industries and Commerce some of the routine work just at the time of my handing over charge.

now submit that I feel that I am entitled for a similar allowance and I pray that the Government may be pleased to sanction me a similar allowance for the period I acted as the Chairman of these two concerns.

Thanking you in anticipation,

I have the honour to be,
Sir;

Dear Sir,

Reference: Government Order No.D.2374/I.&.C.536-42-7
dated the 11th October 1944.

I beg leave to bring to your kind notice what I consider to be a case of injustice done to me in the matter of a special allowance for having acted as the Chairman of the Mysore Paper Mills Ltd., and of the Mysore Match Co., Ltd., Shimoga, from June 1942 to February 1944, with the hope that you will be pleased to review the case and mete out the same fair treatment to me as was shown to my successor in the same office.

2. I would like to represent that so far as the Government of Mysore are concerned, they will not be paying anything out of the Treasury to cover this allowance since the Government Treasury receives Rs.500/- per month from the Mysore Paper Mills Limited on account of one of their own Officers acting as the Chairman and Managing Director. Therefore, there is no loss to Government. The next point I would like to urge is that Government have been pleased to grant allowances to some other Officers who, in addition to their own duties, are acting as Chairmen and Managing Directors of joint stock companies and it looks as though an inviduous distinction has been made in my case and I have been denied the same privilege. I was asked to take this responsibility of the Chairmanship of the two joint stock companies at a time when I was holding the office of the Director of Sandalwood Oil Factory and the Director of Industries and Commerce together with the Sericultural Department which had a tremendous amount of War work thrust on

on it. I had not then the benefit of help of a Deputy Director. I shouldered the responsibility in the hope that my services would receive recognition and adequate compensation and even though I did not request the Government in writing for such an allowance, a perusal of my letter dated the 24th April 1944 will give the reasons why I delayed making such an application. Lastly, I would like to bring another special point to your kind notice. I was relieved of my duties as a Government servant on 15th January 1943 but I was asked to continue as Chairman of both the joint stock companies till the 25th February 1944. I think for this special period, I am entitled for the full salary of the Chairman and Managing Director and I trust that you will find this claim reasonable and fair. This cannot be denied to me.

3. Since the entire sum of the allowance happens to be only a fraction of what the Government have already received from the joint stock companies and since there is no loss to Government and since it is reasonable to hope that the Government would not like to make a profit out of the loan of services of its officers in addition to their own onerous duties, I appeal to you to be pleased to review the case and mete out fair play and justice to me.

I have the honour to state that I have been informed that Mr. C.Abdul Jabbar, Chief Conservator of Forests who is acting as the Chairman of the Mysore Paper Mills Ltd., and the Mysore Match Company Ltd., has been sanctioned an allowance of Rs.200/- per month with retrospective effect. I beg to represent that I also held these two Chairmanships in addition to my own duties as the Director of Industries & Commerce and the Director of Sandalwood Oil Factory at a time when I was overburdened with exceptionally heavy work including that belonging to the Sericultural Department. It is no doubt true that I did not formally apply for the same in writing, but only once, after assuming charge of the Chairmanship in these two concerns I informally broached the subject with the Minister in charge of the portfolio and I was orally and informally told "Do not be impatient but wait". Since then for some reason or other I did not pursue the matter and the Government of their own initiation and accord did not do anything. I may also state that I continued to be the Chairman of these two concerns for some time after handing over charge of the Department of Industries and Commerce to my successor.

I might state that Government were aware of the heavy work devolved on me in as-much-as an Officer of the status of a Deputy Director of Industries and Commerce was sanctioned on a pay of Rs.700-50/2-800 to relieve the Director of Industries and Commerce some of the routine work just at the time of my handing over charge.

I now submit that I feel that I am entitled for a similar allowance and I pray that the Government may be pleased to sanction me a similar allowance for the period I acted as the Chairman of these two concerns.

Thankigg you in anticipation.
